HELDERBERG DISTRICT / GEBIED

WATER COST 2025/2026

Dear all

You will again be allowed to use 100% of your allocated quota. This means that all water users have **4000m³/ha** available for the current season (1 October 2025 - 30 September 2026).

You are encouraged to continue to save water and to use water as efficiently as possible.

We thank you in advance for your continued support in this regard.
