WATERGEBRUIKERSVERENIGING WATER USERS' ASSOCIATION

WATER COST 2020/2021

Our sincere thanks to all water users for their co-operation with the implementation of the water restrictions over the last few years. Your cooperation in this regard is much appreciated.

- You will again be allowed to use 100% of your allocated quota. This means that all water users have **4000m³/ha** available for the current season (1 October 2020 - 30 September 2021).

You are encouraged to continue to save water and to use water as efficiently as possible.

We thank you in advance for your continued support in this regard.

Regards
