WATERGEBRUIKERSVERENIGING WATER USERS' ASSOCIATION

WATER COST 2022/2023

You will again be allowed to use 100% of your allocated quota. This means that all water users have **4000m³/ha** available for the current season (1 October 2022 - 30 September 2023).

You are encouraged to continue to save water and to use water as efficiently as possible.

We thank you in advance for your continued support in this regard.

Regards
